

Mission: We leverage the resources of the banking industry to support the creation and preservation of quality affordable housing in a safe, profitable manner.

Values:

- **Mission-Driven:** We exist to serve banks, and to support the communities that we serve together.
- **Partnership:** We strive to build constructive and mutually-beneficial relationships with our borrowers, member banks and other industry partners.
- **Integrity:** We foster trust through transparency, by sharing information, answers and concerns.
- **Reliability:** We offer experience, financial strength and stability to our partners.
- **Service:** We are responsive, flexible and problem-solving in all that we do.

Vision: Serving banks, strengthening communities, helping people.
